

# Rangimarie Bush Centre

Venue for workshops and creative retreats

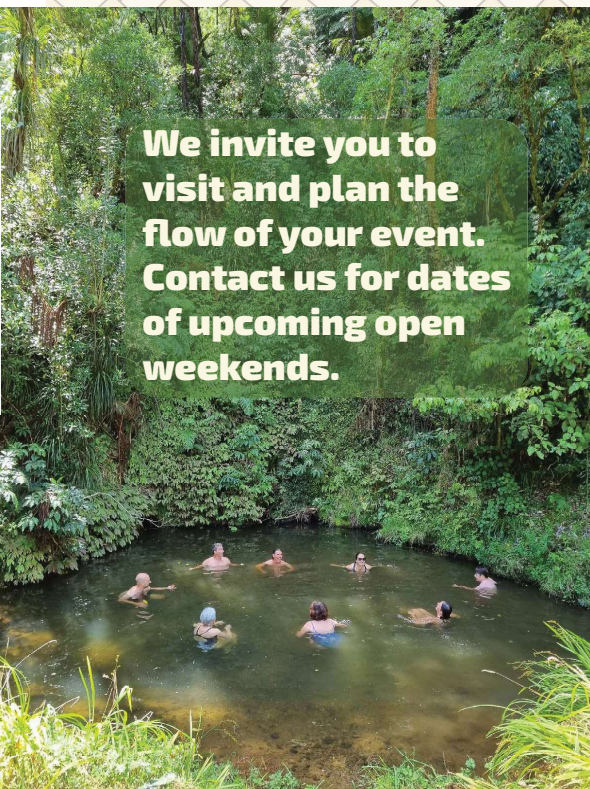

Are you a facilitator of arts retreats, creative workshops, wellbeing or therapeutic work?

Rangimarie Bush Centre is family owned and run: a beautiful bush setting with comfortable bunk-style accommodation, indoor and outdoor spaces, open fires and an immersive back to nature vibe.

Bring your participants to our quiet valley in the Waikato, cross the stream and leave the rest of the world behind. Do the mahi/work of your workshop, then enjoy korero/chat round the campfire together.

**We invite you to visit and plan the flow of your event. Contact us for dates of upcoming open weekends.**

We will work with you to tailor your workshop for your participants.

Food is hearty and homecooked on wood fired 'rocket stoves'. You choose either fully catered, or get your participants involved in a group cook-up to prepare a meal.

We have clean, fresh accommodation; 6 cabins each sleeping up to 6 people. Flushing toilets and hot showers.

2 hours from Auckland, Tauranga and Taupo

See website for calendar and facilitator details
